

# THANKSGIVING FOOD DISTRIBUTION SCHEDULE

Please take note of the schedule changes below, and when Thanksgiving food will be distributed. Our free grocery store in Whitefish will be open and we will have Thanksgiving foods available in the store with limitations. For example, one package of stuffing per household. Customers who arrive before our opening hours will participate in our lottery system which decides the order in which people shop. Customers who arrive within our open hours will shop on a first come first serve basis.

In addition to some weekly groceries, we are working hard to provide the following items to all households for Thanksgiving: turkey (large and small depending on household size), stuffing, gravy, cranberry sauce, celery, carrots, onions, potatoes, green beans, pie filling, pie crust, butter, milk, and small packages of flour, sugar, brown sugar, spices, and salt.

Customers who visit our mobile pantries will receive a bag of food that includes Thanksgiving items and regular groceries.

## INTERESTED IN VOLUNTEERING?

Looking for a fulfilling activity? Join us for a Thanksgiving Prep or Distribution shift. Prep volunteers will pack boxes and bags, repackage bulk items, and more! All are welcome. Weekend shifts available. To sign up please visit the *Get Involved* tab on our website or contact our Volunteer Coordinator at whitney@northvalleyfoodbank.org or 406-862-5863.
